Letter of Recommendation – Special EU–AU Supplement on the Occasion of the Luanda Summit (24–25 November 2025)

Dear Directors General,

On the occasion of the 7th European Union – African Union Summit, to be held in Luanda on 24–25 November 2025, *The Parliament Magazine* will publish a special edition dedicated to this major diplomatic and strategic event.

We are pleased to inform you that this project is co-edited by Mr. Laurent Djaoui, founder of the agency LD Media Development, a publisher and consultant well known for his editorial initiatives linking economy, diplomacy, and international development.

This summit, co-chaired by H.E. Mr. João Lourenço, President of the Republic of Angola and current Chair of the African Union, and Mr. António Costa, President of the European Council, will mark the 25th anniversary of the EU–AU partnership. At a time when both continents are reaffirming their commitment to a mutually beneficial cooperation, this special edition aims to highlight the political, economic, and social dynamics at play, as well as concrete initiatives driven by both public and private sectors.

As a media outlet of reference within the European institutions, *The Parliament Magazine* offers companies and institutional partners the opportunity to associate their image with this high-profile edition. The supplement will be officially launched during a dedicated event on the sidelines of the summit in Luanda, in the presence of European parliamentarians, African Union officials, and high-level guests.

We would be honoured to count your company among the partners of this exceptional publication, which seeks to showcase key stakeholders committed to building a shared Euro-African future.

Thank you for your attention and support.

Yours sincerely,

Daniel Bond
